

From the desk of Amy:

Congratulations on an excellent fundraising effort this year. Our MacMillan's and Elmira Poultry fundraising event ran smoothly, and we were able to raise some money for our association! As we start looking towards next season, we'd really love to hear some of your ideas for fundraising. Please send any suggestions to krapresident@rogers.com.

I would like to thank Patco Transportation Ltd. for lending us a tractor-trailer and a driver for the Santa Claus parade, and Jaz for the fantastic banners that they created for us! Although the turnout was small, I think everyone had a great time. I am already looking forward to next year's parade!

Happy Holidays everyone, and be safe!!

Yours in ringette,
Amy

Display Case

Hey Parents!!

We have some areas where we could really use your help!

At Lions Arena, there is a glass news case hanging on the wall across from our trophy display case. I think this would be a great place for us to display our successes throughout the season! If there are 2 or 3 parents who would like to put a news display together, it would be a great promotion for our sport. It would be ideal for tournament results, and maybe even a place for our players to post an article they have written about why they love ringette!

Please let me know if you are interested in helping out with this display!

We would like the players to write a brief essay on why they love ringette. The winning essay will be posted in our newsletter, and also in our display case at Lions arena.

All entries must be submitted by January 15th. Maybe we can even post the winning essay in our Golden Ring program.

Essay can be written or typed.

There will be 1 prize for the top essay in each of the following groups:

NOVICE C2 TEAM TAKES SILVER IN PICKERING

The Novice C2 team attended the Pickering Ringette Tournament the weekend of December 4th. It was a fantastic weekend for players and parents. We stayed in a great hotel where the girls had fun in the pool and on the waterslide (even when it wasn't turned on!), took over Frankie Tomatoes for supper Friday night, and came to a Petite Provincial game to cheer on our sister team with our loudest cheering section in Ringette! The girls played 3 regular games against London, Whitby and Pickering, getting stronger with each game, and made it to the finals against London. We had an incredibly strong showing, and are thrilled to come home with the Novice C silver medals. Way to go, girls!

THE GOLDEN RING TOURNAMENT IS GETTING CLOSER!

Please join us for one more planning meeting in December. We need representation from each team.

Under discussion for Golden Ring 2010: activities / vendors in Lions Community Hall on Saturday, meals from Lions Arena and more corporate sponsorship (including sponsorship from local restaurants).

Please plan on attending our third Volunteer meeting. This meeting provides an opportunity to discuss the ideas we're working on and provide valuable input into what goes on behind the scenes. We would appreciate the help.

Volunteer Meeting #3:
Thursday December 17, 2009
7:00pm
Flannagan's
in the Plaza at Strasburg Road and Block Line.

Please contact Linda Clarke at 519-576-8936 or goldenring@kitchenerringette.com to volunteer or if you have any questions.

Provincial Ringette

Kitchener Provincial Ringette....an Update

With the half the league games almost complete the Kitchener Rep teams are getting a good feel for the competition out there! In the U14A division, the team is sitting mid-pack while in the U12 Provincial grouping our team is closer to the bottom! It appears this year that once again, the Western Region is hosting some of the stronger teams in the province.

In tournament play the teams are doing much better, and in rep ringette that is what counts more! At the recent St Catherine's Tournament the U14A team went 2-1 in the round robin play giving them a spot at the final game. The team fought hard but lost by a goal earning them a silver medal...congrats!

At the Pickering Tournament this past weekend our U12 Provincial Team went 4-0 in the round robin play and then went on to win the gold medal in the PP2 division. The girls skated hard and were very creative in the offensive zone with the "one-timers" paying off! Good job girls! Both teams are in their final power skating sessions which will draw to an end by the December. We look forward to an even better second half. Keep up the hard work.

Kitchener Wildcats U14A earned a Silver at St. Catherine's 29th Annual Ringette Tournament. Congratulations to the team on a successful weekend!

Kitchener Wildcats U12 Petite Provincial take Gold in Pickering 2009. Congratulations team
